

# Want to check the pulse of the culture within your business?

Promoting the right culture is essential for the success of any business. Undertaking a culture survey gives you valuable insights about your business and your employees a voice.

To take your business to the next level, a culture survey is a great place to start.

Let HR Advice Online manage the process for you.

## Our HR Advisory Team can:

- ✓ Assist you with developing the right questions for your employees
- ✓ Conduct, promote and complete online or telephone based surveys
- ✓ Provide you with a detailed report of the findings
- ✓ Assist you to support your employees throughout the process
- ✓ Provide you guidance on improvements that can be made to your businesses culture based on feedback received through your culture survey

## Included in our Culture Survey package you will receive:

- Consultation to discuss the survey process and development of questions
- Survey conducted by one of our experienced HR Advisors online, over the phone or online or a combination of both
- Overview of the feedback received from employees following the survey
- Options to consider next steps for your business culture following feedback received
