

Your one stop shop for work health and safety support

Are you meeting all your safety obligations under the Work Health and Safety Act?
Do you actively monitor your workplace conditions?
Can workers easily report hazards, near misses or injuries?
Do you have safe work instructions for high risk tasks?

There's so much small business owners need to know about work health and safety in Australia. Doing it all yourself can be time consuming, overwhelming and may open your organisation to risk.

Why do it yourself when we can help?

Our Safety Advice Online Package helps you:

- ✓ Feel confident that you're complying with Australian employment laws
- ✓ Provide a safe workplace for your employees
- ✓ Save time creating your own documents

From just \$199 per month, you will receive:

- Customisable policies and procedures
- Over the phone advice and guidance from a qualified work health & safety specialist about specific issues
- Work health and safety employee handbook template
- Customisable forms and checklists

Why Safety Advice Online?

Safety Advice Online offers a simple, step-by-step solution that guides businesses on all health and safety matters. Enjoy peace-of-mind, knowing your business will have the necessary framework to meet your safety obligations.
