

Turn Employee Departures into Business Insights

Exit interviews are a valuable opportunity to learn from departing employees. They provide feedback on your business culture, structure, management and morale. But they take time, and asking the right questions is critical. With HR Advice Online, you can ensure your exit interviews deliver genuine, actionable insights. We will handle the process for you.

How We Support Your Business

Tailored Questions

We help to develop the right questions to uncover meaningful feedback.

Professional Interviews

Our experienced HR Advisors conduct the exit interview with your employee.

Clear Feedback Reports

You'll receive a summary of the discussion and key insights.

Culture Improvement Guidance

We provide advice on how to strengthen culture and retention based on what is learnt.
