

# Redundancy Done Right – Protect Your Business

Making a role redundant is one of the toughest decisions a business can face. But it's not just about the decision—it's about getting the process right. If handled incorrectly, redundancy can expose your business to legal and financial risk.

**Get the guidance and expertise to manage redundancies fairly, legally and with care.**

## How We Support Your Business

### Clarity on Your Obligations

Understand your legal rights and obligations under Fair Work, Awards, and Agreements.

### Step-by-Step Guidance

We explain the redundancy process and guide you every step of the way.

### Employee & Culture Support

Advice on communications, supporting affected employees and managing workplace morale.

### Risk Management

Practical strategies to minimise unfair dismissal claims and ensure genuine redundancies.

## Why Choose Us?

We provide straightforward, affordable HR support for business owners. With our experienced Advisors by your side, you'll have peace-of-mind knowing redundancies are managed correctly and respectfully.
